**Not in Attendance:** Professors Carol Colby, Paul Glabicki, and Stephen Manuck

### 1. Minutes of the meeting held on May 10, 2013

Dean Cooper presented the draft of the minutes of the meeting held on May 10, 2013. The minutes were moved, seconded, and approved.

### 2. Dean's Report on Amendments to Bylaws and Governance Documents (Dean N. John Cooper)

The Dean began by reviewing with Council the five motions to amend the Dietrich School Bylaws and governance documents recently passed by an electronic ballot circulated over the summer to all voting faculty:

Motion #1 made Lecturers voting faculty within the Dietrich School as specified in our Bylaws.

Motion #2 proposed amendments to the Bylaws that would ensure that NTS faculty are included on Dietrich School councils in a manner that is balanced across our three divisions of the Humanities, Natural Sciences, and Social Sciences.

Motion #3 for the first time added to our governing documents general criteria for appointments as Lecturers and Senior Lecturers, and also criteria for a new working title of Lecturer/Master Teacher intended to enable recognition of the achievements of our most successful Lecturers through an appropriate promotion.

Motion #4 involved amendments of our Statement on Departmental Governance to provide guidelines on departmental procedures intended to ameliorate confusion and recognize the proposed new status and responsibilities of Lecturers, Lecturers/Master Teachers, and Senior Lecturers, while understanding that the language should not be so prescriptive as to limit appropriate variation in practice across disciplines.

Motion #5 modernized the language of the Departmental Procedures Concerning First Appointment to bring them into line with the customary expectation that faculty at whatever level vote on appointments at their rank or below, and that all tenured faculty have a departmental vote on appointments with tenure regardless of rank.

Dean Cooper commented that the only controversial element seemed to be the specifics of the Lecturer/Master Teacher title, which some colleagues saw as diminutive of the role. It was agreed that the title should be revisited. Professor Daniel Balderston also requested guidelines on requests for nomination into the new Lecturer/Master Teacher category. Dean Cooper agreed these would be important topics for Council to discuss in its next meeting.

### 3. Report from Dietrich School Undergraduate Council (Associate Dean John Twyning)

Associate Dean John Twyning reported that the Dietrich School Undergraduate Council has not met since the last Council meeting.

4. **Report from Dietrich School Graduate Council**  
(Associate Dean Kathleen Blee)

Associate Dean Kathleen Blee reported that the Dietrich School Graduate Council has not met since the last Council meeting.

5. **Election of Dietrich School Council member as Vice Chairperson to serve in Dean's absence**  
(Dean N. John Cooper)

Dean Cooper reminded Council that at the first meeting of every academic school year, a Vice Chairperson needs to be appointed to chair meetings in the Dean's absence. Professor Daniel Balderston moved that Senior Associate Dean Jim Knapp be appointed to the position, Professor Scott Morgenstern seconded, and all were in favor. Senior Associate Dean Jim Knapp accepted the position as Vice Chair.

6. **Filling NTS vacancies on Dietrich School Council**  
(Dean N. John Cooper)

The Dean reminded Council of their ability to appoint or elect members to fill vacancies and suggested that the newly created NTS vacancies on Council be filled in this manner for a one-year interim term until NTS members are formally added through the usual election process. Senior Associate Dean Jim Knapp noted that any member serving the one-year interim term will still be eligible for formal election. Council agreed to fill the three NTS vacancies on Council for one-year interim terms.

The Dean presented a list of nominations made by Department Chairs and suggested that members of Council use faculty lists provided to them at the meeting to nominate additional candidates. Additional nominees were handwritten onto ballots created from Chairs' nominations. Council members voted and ballots were collected. Dean Cooper explained that he would contact the person with the highest number of votes from each division to verify that s/he would be willing to serve a one-year interim term.

Note: The appointed members are Dr. George Bandik, Senior Lecturer, Chemistry; Ms. Geeta Kothari, Senior Lecturer, English; and Dr. Kathleen

Allen, Senior Lecturer, Anthropology. Each of them agreed to serve and all were invited to the October 7, 2013 meeting.

7. **Appointment of Dietrich School Council member from the Social Sciences to Dietrich School PBC for a 3-year term** (Dean N. John Cooper)

Dean Cooper informed the group that one elected Council member from the Social Sciences was needed to serve on the Dietrich School Planning and Budgeting Committee for a 3-year term. Professor Morgenstern volunteered. Professor Daniel Balderston seconded, and all were in favor.

8. **TTS vs. NTS representation on non-Dietrich School Councils** (Dean N. John Cooper)

Dean Cooper noted that the Dietrich School Bylaws do not make any specification on tenured/tenure stream or non-tenure stream membership on committees and councils outside the Dietrich School. He proposed that each of relevant committees and councils be allowed to make a distinction, if they choose to make a distinction at all. Council agreed, and Dean Cooper stated that he would contact the appropriate people.

9. **Proposal to change the name of "Women's Studies Program" to "Gender, Sexuality, and Women's Studies"** (Dean N. John Cooper)

Dean Cooper reviewed with Council a proposal from Women's Studies Program Director Todd Reeser requesting the name of the program be changed to "Gender, Sexuality, and Women's Studies." The Dean explained that this proposal was the result of a unanimous vote by the Women's Studies Steering Committee after extensive discussion and surveying during a two-year time period. Professor Daniel Balderston moved that the proposal be accepted. Professor Scott Morgenstern seconded, and all were in favor.

**3. Budget Update** (Dean N. John Cooper)

The Dean reported that the budget has stabilized at a reduced level. Professor Bartholomae asked what the Dietrich Gift meant to the Dietrich School of Arts and Sciences. The Dean responded that the gift is managed by the Dietrich Foundation, and that the Provost submits proposals for endowment funding to the Dietrich Foundation. The first proposal included upgrading a position in Political Science to become an endowed chair named the William Dietrich Chair of Political Science in recognition of Bill's generosity, together with related graduate student support.

**4. Report from Dietrich School Undergraduate Council** (Associate Dean John Twyning)

Associate Dean John Twyning reported that the Dietrich School Undergraduate Council met on September 17, 2013. Newly appointed Lecturer representatives to Undergraduate Council included Jeff Aziz (Lecturer, English), Melanie Popa (Lecturer, Biological Sciences), and Andrew Lotz (Lecturer, Political Science). A proposal to change the name of the Women's Studies Certificate to Certificate in Gender, Sexuality, and Women's Studies was reviewed and unanimously approved.

Undergraduate Council also discussed the issue of low returns for online OMETS and presented ideas on how to increase the student response rate and expect to review a draft proposal at its next meeting. Council members discussed the implications of offering class time to complete the surveys.

- JPNSE 0007 Introduction to Japanese Civilization and Culture
  - Non-Western Culture
- SPAN 1260 Survey of Spanish Literature
  - Literature

The report was moved, seconded, and approved.

**5. Report from Dietrich School Graduate Council** (Associate Dean Kathleen Blee)

Associate Dean Kathleen Blee reported that on September 20, 2013 Graduate Council reviewed progress on the new videoconferencing equipment now available in 5601 Sennott Square for graduate student overview and dissertation defenses in which a committee member has been approved by the Graduate Studies Assistant Dean to participate remotely. Graduate Council discussed ideas from discussions in the Dietrich School Undergraduate Council about the drop in the number of students completing OMET course evaluations and expressed concern about the effect of these declining response rates for graduate student teachers. Progress on the pilot program for the Graduate Application Tracking System (GATS), the 3 year out placement survey of PhDs, and the professional socialization workshop series were reviewed. Departments of Psychology, History and Philosophy of Science, and Neuroscience were selected for this year's review of TA/TF training practices and policies. Graduate Council voted unanimously to approve the proposal from the Women's Studies Program to change the name of the graduate certification to "Certificate in Gender, Sexuality, and Women's Studies."

The report was moved, seconded, and approved.

6. **Title and Expectation of Lecturer/Master Teacher rank** (Senior Associate Dean James Knapp)

Senior Associate Dean James Knapp led a conversation on returning business of the title and expectation of the newly created Lecturer/Master Teacher position. He explained that the Lecturer/Master Teacher allows a middle rung in the position ladder and is reserved for Lecturers who have “demonstrated consistent excellence as a teacher, and, if appropriate, as an advisor, or in other assigned service to the department,” as stated in the Criteria for Appointment, Evaluation, and Reappointment of Non-Tenure Stream Faculty in the Dietrich School governance documents.

Senior Associate Dean Knapp stated that he has received requests to modify the Lecturer/Master Teacher working title and opened the floor for suggestions of alternatives. After some discussion, Council agreed that “Lecturer II” would be an appropriate working title.

Although members of Council expressed broader concerns of the expectation of the position, Council moved, seconded, and approved (15-1 with no abstentions) that Senior Associate Dean Knapp prepare a formal proposal to change the working title.

7. **Election of Faculty Grants Committee** (Dean N. John Cooper)

Dean Cooper informed Council that the Faculty Grants Committee is a group who distributes two types of funding—summer stipend and operational funding—to winners of the faculty grants competition held each year. The Faculty Grants Committee, instituted through actions of Council in the 1970s, is deliberately weighted towards the Humanities to support proposals less likely to have access to Federal grants and funds. Faculty Grants Committee Chair Oscar Swan had provided a ballot of faculty members willing to serve in the Committee to replace outgoing members Jerome Branche, Kathryn Flannery, Lisa Brush, Maurine Greenwald, and Chandralekha Singh. Council members voted and elected David Brumble

(English), Francesca Savoia (French and Italian Language and Literature), Daniel Berkowitz (Economics), Robert Ruck (History), and German Barrionuevo (Neuroscience).

8. **Slate for Nominating Committee** (Dean N. John Cooper)

The Dean reviewed the charge of the Nominating Committee and the role of the Council in creating the slate for the Nominating Committee. Council created a priority list of nominees, and a Council member agreed to ask nominees to allow their names to go forward for the Nominating Committee.

9. **Appoint member to CGS Council** (Dean N. John Cooper)

Tabled.

10. **Set date and agenda items for Full Faculty Meeting** (Dean N. John Cooper)

Council selected Wednesday, November 6, 2013, as the date of the Fall Full Faculty Meeting. The draft of the agenda was approved.

11. **Other Business**

With no other business, the meeting was adjourned at 4:27 p.m.
