She said that the PBC is responsible for recommending budget priorities for the planning document and evaluating the school's progress on goals detailed in the strategic plan.

3. Review of the Planning and Budget Committee survey results

Dean Blee opened discussion of the survey results that had been shared with Committee members prior to the meeting. She noted that the results of the survey are difficult to interpret because our survey responses were combined with the survey responses from the Honors College PBC, and it is not possible to separate the responses.

4. New Program Proposal: Africana Studies PhD Program

7. DSAS Strategic Plan

Dean Blee discussed last year's strategic planning documents that were shared with Committee members prior to the meeting, along with a response to the plan provided

by the Provost. She explained that this will be a foundation for the coming year's plan. As has been previously the case, the school's strategic plan must align with the framework for the Plan for Pitt.

8. Responsibility Center Resource Proposal

Dean Blee informed the Committee that one of its responsibilities is to oversee the annual Responsibility Center Resource Proposal (RCRP) requests. Executive Director Cunningham explained that the requests ask for money each year that is outside the normal operating budget. Dean Blee said that last year's requests focused on the need to rebuild the T/TS faculty after experiencing a substantial reduction in its size. Requested funds for hiring T/TS faculty and associated start-up funds for those hires were approved on a one-time basis. An additional request made for staff retention adjustments was not funded.

Executive Director Cunningham reported that of the five capital projects for which funding was requested last year, two were funded – renovations for the Film and Media Studies program and for the Department of Chemistry.

With no other business, the meeting was adjourned at 2:00 p.m.

In the previous 10 years, the number of *ad hoc* Review Committees was as follows:

| | |
|---------|----|
| 2012-13 | 31 |
| 2013-14 | 29 |
| 2014-15 | 34 |
| 2015-16 | 35 |
| 2016-17 | 35 |
| 2017-18 | 29 |
| 2018-19 | 37 |

Sixteen *ad hoc* Review Committees were convened to advise the Dean on departmental recommendations for promotion of tenured Associate Professors to the rank of Full Professor.

Fifteen committees voted unanimously in favor of the departmental recommendations of promotion to Full Professor, one committee voted 4:1 in favor of promotion. The Dean accepted sixteen recommendations and forwarded sixteen positive recommendations to the Provost.

Three Review Committees were convened to advise the Dean on departmental recommendations to offer appointments with tenure to new faculty members at the rank of full Professor and Associate Professor. One *ad hoc* committee is scheduled to meet in early September. Two committees voted unanimously in favor, and one committee voted 5:1 in favor of the departmental recommendations. One candidate withdrew from consideration: two accepted. The *ad hoc* committees for each of the cases were
